INFLUENCER SELECTION

Score creators on fit, not follower count alone.

Real People. Real Wellness.

Audience relevance

Ensure the creator's audience matches your target segment.

Engagement

Look for genuine likes, comments and meaningful interactions.

Content quality

Prioritize authentic, high-quality and on-brand content.

Authenticity

Choose creators with real voices, not just paid promotions.

Audience location

Focus on creators from key regions and local markets.

Platform fit

Match with the right platform where your audience spends time.
